Bajaj Allianz Niyamit Sanchay Suraksha

Bajaj Allianz Niyamit Sanchay Suraksha is a traditional, non-linked, non-participating regular, limited and single premium, group savings variable insurance plan which gives your group members the complete reassurance of a lasting financial security and peace of mind. The plan offers a Guaranteed Interest Rate, which will be guaranteed for the entire term of the policy and an Additional Interest Rate, which is also guaranteed.

Jiyo Befikar

Key Benefits of the plan

- Offers Guaranteed Interest Rate (GIR)
- Offers Additional Interest Rate (AIR)
- Flexibility to choose life coverage for your members
- Option to choose from Single, Regular or Limited Premium Payment option
- Option for Partial withdrawals
- Option to alter premium payment frequency
- Guaranteed Death Benefit of 105% of total premiums paid excluding service tax

How does the plan work ?

- An individual regular/single premium account is opened for each member
- The premium paid by you will be maintained in an individual regular/single premium accounts of the respective group members
- The net regular/single premium, which is the premium paid less the mortality charge, premium allocation charge and applicable service tax, will be maintained in the members' individual regular/single premium accounts
- Policy Administration Charge (PAC) will be deducted from the individual regular premium account every month. Deduction of PAC shall commence from the 6th policy year of the member, in the case of the regular/limited premium option. There shall be no PAC applicable in the single premium option
- The Company offers a Guaranteed Interest Rate (GIR) of 1.5% per annum through-out the policy term of the member. A guaranteed Additional Interest Rate (AIR) of 2.5% shall be offered for first five policy years of the group member and thereafter no Additional Interest Rate shall be added. The individual regular/single premium account will be first credited with the GIR and then credited with the AIR, if any
- After crediting GIR and AIR to the individual regular/single premium account, fund management charge will be deducted as a percentage of the individual regular/single premium account value
- Individual regular/single premium account value is the value of your premium paid less mortality charge, premium allocation charge and policy administration Charge, if any, enhanced by GIR, AIR and residual additions, if any, less applicable fund management charge
- The GIR and AIR credited and the fund management charge deducted from the individual regular/single premium account will only be to the extent and duration for which the fund remained invested
- Non-zero positive residual additions, if any, shall be credited to the individual regular/single premium account in order to meet the maximum reduction in yield criteria* at the end of fifth policy year and at the end of every policy year thereafter
- The investment pattern of the fund is governed by the IRDA regulation on the controlled fund

* This criteria is as dictated by IRDA regulations

Benefits Payable

On maturity the individual regular/single premium account value will be paid to the member. The benefit will be paid to the member through you.

In case of unfortunate death of a member, the benefits payable will be equal to the total of the sum assured & the individual regular/single premium account value, subject to a guaranteed death benefit of 105% of total premiums paid (excluding service tax) in the account of the member. The benefit is paid to the nominee through you.

Surrender

Individual Member Surrender

The member may, at any time, surrender his membership

- **On surrender during the lock-in period of first five years**

The individual regular/single premium account value less the discontinuance charge, if any, as on the date of surrender, will be transferred to the Discontinued Life Policy Fund, and all risk cover will be terminated immediately. If the membership is surrendered, the same cannot be revived. The Discontinuance Value as at the end of the lock-in period will be payable as the surrender value to the member.

- **On surrender after the lock-in period of first five years**

The surrender value payable will be individual regular/single premium account value as on the date of surrender.

Policy Surrender

You will not have the option to surrender the policy. But, you can stop enrollment of new members any time after commencement of the policy.

Definition

Sum Assured is the amount (chosen by you or the member) based on which the death benefit payable shall be arrived at.

Paid-up Sum Assured is equal to original sum assured of the member multiplied by the proportion of the total number of premium paid to the original number of premium payable under the policy on account of the member. This is applicable to a membership where the premiums have been discontinued after the lock-in period.

Discontinued Life Policy Fund (SFIN : ULIF07026 / 03 / 13DISCONLIFE116) is the fund maintained by the Company that is set aside and is constituted by the discontinuance values of the discontinued policies determined in accordance with the "Insurance Regulatory and Development Authority (Linked Insurance Products) Regulation, 2013".
